Steve,

Chris Ruhl notified me you would like information on the Amarillo phosphine site. I added you as a contact on the OSC website which you can access at the internet address below;

[www.epaosc.org/AmarilloPhosphine](http://www.epaosc.org/AmarilloPhosphine)

I am currently working on Pollution Report #2 which should be complete by tomorrow. We also have video of the house if you are interested however, I will have to send you the files in a separate email. If you have any questions or need help accessing the website, my contact information is listed below. Thanks
